On 23 February, Adam Road church conducted her Annual General Meeting (AGM) with 160 eligible members present for the meeting. Deacon Jason Hsieh first spoke a short exhortation titled “The Church is One Family” and he emphasised how all of us are one family in the household of God and we ought to be concerned for the wellbeing of our church and one another. Thereafter, Deacon Philip Shee presented on the highlights of the various church ministries, such as evangelism, pastoral, and general affairs in 2018 as an annual recap for our members. Deacon Gabriel Lim then gave an in-depth account of the financial affairs of the church and shared some financial affairs plan for 2019 such as tightening financial claims and control as recommended by auditors and studying the use of online and internet banking options.

2 proposals were raised during this AGM regarding the Adam Road church building plans:

Proposal 1: To cease the current Adam Road church extension project due to a significant risk that the church will not be able to obtain government permission to continue with the construction after several discussions with various architects and government agencies.

Proposal 2: To allow the Exco to conduct a feasibility study of the complete reconstruction of Adam Road church as well as other options (e.g. branching out to another location) as an avenue to meet the growing needs of the church in the future.

The majority of our members voted in favour for these proposals and they were passed.

Thank the Lord for enabling us to have smoothly conducted this year’s AGM. May we continue to pray for the growth and development of the church as well as for the faith of our members to be strengthened as we progress both physically and spiritually in this new year ahead.
By the grace of God, TJC Singapore launched our Evangelism Journal on 16 February 2019. The Evangelism Journal was designed as a support tool to motivate our members and meet their needs in their personal evangelism efforts. The Evangelism Journal hence serves two purposes: (1) help members stay accountable in their personal evangelism work, and (2) equip members with bible knowledge for preaching.

The Evangelism Journal has two portions. The first is 'My Evangelism List', for members to note down the friends and family they are preaching to, actions taken, and follow-up actions to keep track of their evangelism efforts over time. The second portion is a question and answer segment. It consists of a variety of frequently asked questions by truth-seekers, both non-Christians and Christians, that members can familiarise themselves with.

God wants to save everyone. He has called us to join Him in this beautiful, precious work of preaching. It is true that preaching may be difficult for some. But it is more than worth it. With His one life, Christ went all the way to the cross - to His death - to save us. In our one life, let us do our little part. After all, the value of a soul that is saved is worth more than this entire world.

Get a copy of the Evangelistic Journal and a laminated copy of our basic beliefs from Deacon Joshua Chong, our Adam Road Evangelism I/C.

Be watchful in all things, endure afflictions, do the work of an evangelist, fulfill our ministry (2 Timothy 4:5).
Evergreen Evangelistic Service

On 24 February, the Evergreen Fellowship held their combined evangelistic service at Adam Road. In his sermon, Preacher Silas Kong expounded on the difficulties and burdens of life because men had sinned and were separated from God. He then went on to explain how the problem of sin can be resolved through Jesus Christ who came to release men from sin and allow them to see the true meaning of life’s eternity. Sister Lee Siew Zhen then gave a very encouraging testimony on how she was disturbed by evil spirits until she found and believed in the true church and was finally rid of these evil spirits. The session ended with a prayer for the Holy Spirit and lunch. Thank God for His guidance and may He continue to bless us in this important work of evangelism.

Bimonthly Evangelistic Service

The first bimonthly evangelistic service for 2019 was held on 22 February. Preacher Peter Shee spoke on the topic, “My Spirit on All Flesh”. He talked about the descent of the Holy Spirit when the disciples were praying in the upper room, and explained Acts 2:17, “And it shall come to pass in the last days, says God, that I will pour out My Spirit on all flesh.” We today are living in this period of the last days – we no longer need to rely on prophets to be taught the word of God because we can receive and understand His word through this same Holy Spirit that can dwell in us, just like the apostles. He encouraged our truthseekers and friends to pray earnestly to receive the promised Holy Spirit. In line with the All8 campaign across all churches, let us continue to pray for and invite our unbelieving family and friends to upcoming evangelistic service in Serangoon church on 15 to 16 March, and the next Adam Road bimonthly service on 26 April!
Central District Fellowship

On Sunday 17 February, we gathered at Deacon Philip Shee & Sister En Hsin’s home for our bimonthly Central District Fellowship. We started the fellowship with hymn singing and prayer, followed by a lively bible study and discussion. Preacher Barnabas Chong facilitated the session where he focused on 3 themes in the book of James: 1) being joyous in the face of trials, 2) managing our anger and 3) bridling our tongue. Members shared their personal experiences and how they applied Scripture teachings in their daily lives. Thank God for bringing us together to learn His Word and grow in the faith.

The next fellowship will be held on Sunday, 28 April at Brother Anton’s and Sister Mia’s home, where we will continue our study on the book of James. All are welcomed to join and do contact Sister En Hsin, Sister Diana Ang or Sister Amanda Chin for details.

CNY Reunion Dinner

Our China fellowship brethren gathered and celebrated a joyous occasion together. During the reunion dinner, there were a wide array of dishes. It was truly a feast made with love! Following the dinner, there was a gathering in the basement for a hymnal sharing with the theme of thanksgiving. After hymn-singing, there was a fun riddle-guessing activity with attractive prizes given to winners. Lastly, the night concluded with the writing of new year cards to one another. Thank God that we were able to celebrate the CNY eve together as one big family in Christ. May God continue to guide us in the new year ahead.
