In Him we have redemption through His blood (Eph 1:7a)
Serangoon Evangelistic Service

Thank the Lord that Serangoon church smoothly conducted her inaugural 2-nights evangelistic service on 15 and 16 March. Preacher Peter Shee spoke on the topics, “Who holds the missing peace?” and “What is the missing piece?” on the two evenings. A total of 11 newcomers came to hear the good news about the missing peace at the invitation of our members. With our newly established place of worship in the North East, let us continue to pray that the Lord will guide more of His sheep in the region into His fold. Likewise, let us do our part and work with the Lord in this important work of evangelism!

AJ Evangelistic Gathering

The Advanced Junior (AJ) class organised an evangelistic session for their schoolmates on Saturday, 24 March. Thank the Lord that there were 2 friends who accepted the invitation by our students. The event began with hymn-singing followed by two split sessions on the topics, “Why is Christianity different?” and “What is the truth?” for non-Christians and Christians respectively. The messages were edifying not only for the truthseekers but also for our students as they learned how they can preach the gospel to their friends. It was also a good opportunity for the students to plan and run the event, as well as to personally invite their friends to church. May the Lord continue to embolden all of us, both young and old, to bring the good news to those around us.
IA WDC Delegates Visit

By the grace of God, TJC Singapore played host to over 40 TJC members from countries around the world between 25 to 27 March. They were delegates of the International Assembly World Delegates Conference (IA WDC) which was held in West Malaysia, and had made their way to Singapore for a tour of our churches and local places of attraction. Thank the Lord that everything went smoothly for our guests and they enjoyed their stay. We also thank all our Adam Road members who contributed to this reception work, whether it was cleaning up and preparing the facilities of the church, cooking meals, or accompanying our overseas guests. May the Lord remember your labour of love!

Steadfast Hymn Appreciation

On 23 March, over 30 members of all ages gathered after Sabbath service for a Hymn Appreciation organised by the Steadfast Fellowship. It was an opportunity for all to offer praises to God, share their love for hymn singing and fellowship with one another. Sister Lee Fen kicked-off the session by leading the group in singing the melodious hymn “The Steadfast Love of the Lord”. Participants then took turns to introduce themselves and their home country - amazingly, there were 7 different nationalities amongst the brethren! Sister Lee Phing led the next half of the session where each member wrote the hymns that came to mind whenever they felt lonely or happy. The group then sang a medley of hymns before the session concluded with sumptuous snacks. Thank God for the opportunity to gather and sing praises to His Name!
Youth Leaders Retreat

Preacher Steven Shek from the U.K. General Assembly conducted a retreat for youth leaders who are in charge of the various youth committees and youth fellowships in Singapore on 31 March. Preacher Shek encouraged the participants with various biblical principles and practices that they should adopt in their ministry, some of which include forming a faith team, going the extra mile, and seeing God’s presence through their strengths and weaknesses. The session concluded with a Q&A session and a prayer. Thank the Lord that the participants were edified by the session, and may He continue to guide our youth leaders to grow in faith, hope and love.

Youth Forum: Grey Areas/Hard Truths

On 23 March, a youth forum on “Grey Areas/Hard Truths” was held after service in which Deacon Joshua and Deacon Gabriel addressed a variety of questions posed by the youths. Youths could post any difficult question or doubt they have about the Bible, their faith, or Christian living on a website and vote for the top questions they would like to be answered. Some of the questions include: Is it okay for Christians to invest to earn money? Is it okay for people who have mental illness to undergo treatment and therapy or should they only turn to Jesus? Thank the Lord that many youths found the session to be meaningful, and it is hoped that platforms like this would be beneficial for our members to bring up doubts and concerns they meet with in their journey of faith.

Ushers Gathering

The Adam Road church ushers gathered on 30 March for an appreciation-cum-spiritual nurture session. The programme consisted of a meaningful exhortation on biblical principles on receiving members and truthseekers in church, followed by a lively discussion on good practices that ushers should adopt while carrying out their service. Thank the Lord that the session was well-received, and the ushers were keen to share their thoughts, challenges, and solutions for mutual learning and growth in this ministry. Indeed, caring for one another is an attitude that not only ushers but all members should have as we need to look out for the physical and spiritual needs of our family in Christ. May we all strive to grow in our love, wisdom, and courage to reach out and care for the souls of those we encounter in church.

Called Home to the Lord

1) The late Sister Chang Mei Ling, mother of Brother Vincent Yeoh, was called to rest in the Lord on 5 March.

2) On 26 March, the late Sister Tina Ong Peik Choo, the mother of Sister Mary Lee, rested in the Lord.

3) The late Sister Sim Siew Ngoh was called to rest from her labours on 31 March.

May the Lord comfort and strengthen the bereaved families.

Romans 10:17

So then faith comes by hearing, and hearing by the word of God.
