Middle Age Fellowship Committee Retreat

By the grace of God, the committee members of the various middle age fellowship groups of our local churches gathered together in Serangoon church on 21 April for an annual retreat. The programme comprised of an exhortation by Preacher Silas Kong who shared about the challenges faced by our middle-aged members and how they can still actively contribute to the church in this stage of their lives. This was followed by breakout group discussions on pertinent topics such as how to fulfil multiple roles as parents, children, spouse, committee members, and co-workers, while putting God in the centre of their lives. Thank the Lord that the committee members who attended the session found it to be spiritually edifying and refreshing!

Fellowship Activities in April

Indonesian Members’ Fellowship

Western District Fellowship

Central District Fellowship

All members are welcomed to participate in our regular church fellowship activities!
Let all that you do be done in love. (1 Corinthians 16:14)

Poly Students’ Bible Course

The Poly Students’ Bible Course took place from 28 March to 5 April. Thank the Lord that the students were able to gather together for this precious opportunity to learn God’s words, draw closer to Him, and cultivate their faith. The following lessons were taught in the course: ‘Apologetics & Dogmatic History’, ‘Introduction to the Wisdom Books & Ecclesiastes’, ‘The Seven Churches in Revelations’ and ‘Youths in the Bible’. Preacher Steven Shek, a UK preacher, also assisted in this course. Other than the daily lessons, the students had daily morning and evening prayers as well as counselling sessions centred on the topic of ‘Christian purity’. The participants have benefited greatly from the sessions and have grown spiritually. May God continue to guide them in their faith!

Intermediate Youth Camp

The annual Intermediate Youth (IY) camp was conducted from 18 to 21 April, with the camp theme for 2019 being “The greatest of these is love”. The students spent the long weekend in church participating in student-led activities as well as lessons conducted by their RE teachers. Thank the Lord that many participants felt that it was a positive experience to stay over in church and have fellowship with one another amidst the busyness of their school and daily activities. The next courses for students and youths include the Junior Youth Bible Seminar from 16 to 20 June, and the Youth Theological Course from 24 June to 7 July. Do mark these dates on your calendar if you or your children are eligible and able to attend!
Evangelistic Services in April

Adam Road church conducted a bimonthly evangelistic service on Friday, 19 April. Thank the Lord that there were 8 truthseekers who accepted the invitation by our members to attend the Friday evangelistic service on the topic, “Facing Life’s Giants”. In addition, an evangelistic tea session was held on 27 April after Sabbath service in which an edifying video testimony was screened in the basement for the attendees. Our next evangelistic service will be held on 11 May at both Serangoon and Sembawang churches over the Sabbath afternoon services. May we continue to carry out this important work of evangelism and bring the gospel of salvation to our family and friends!

Sembawang Evangelistic Service

Thank the Lord that Sembawang church successfully held two nights of evangelistic service on 12 and 13 April. The topics for each evening were “The Promised Holy Spirit” and “Worship God in Spirit and Truth” led by Preacher Silas Kong. The first and second evening services were attended by 9 and 4 truthseekers respectively. Indeed, the teachings concerning the Holy Spirit and worshipping God according to His word are essential doctrines of the True Jesus Church that must be preached to both non-Christians and Christians of other churches. Therefore, let us strive to bring the true gospel to our family and friends who have yet to hear the complete truth of salvation.
