The reflections of SSC

Pamelyn Wang

In the name of Lord Jesus Christ I reflect. This SSC I’ve experienced God’s love and blessings. I had realized before SSC how blessed we were to have parents, shelter, clothes, and much more. The pastor’s sermons had encouraged me to pray harder and try to change myself to be a much better person than I was before. My goal this Student Spiritual Convocation was to receive the Holy Spirit and one of my many reasons was so that the Holy Spirit would help change me. One memorable story was when a man’s friend had come and he was exhausted and very hungry, he asks for food but the man has nothing to eat. The man goes to his neighbor and asks for bread by knocking on the door, the neighbor says my family is already asleep, I’ll give it to you tomorrow. But the man says I will not leave until you give me the bread, the man keeps on pounding on the door until the neighbor finally gives him the bread. There is a lot to learn in this story but one specific point is that we have to be persistent like the man. If we want to receive the Holy Spirit or the fullness of the Holy Spirit, we have to be persistent in our prayers. In SSC we learned about the Lord’s Prayer, Miracles of Jesus, the Holy Spirit, Hannah, Elijah, Jonah, David, and Daniel. We also received many encouragements thanks to the counselors. I felt that this years SSC, God had truly blessed me through some of my hard times in SSC. May all the glory and honor be unto His holy name. Amen.

At SSC, I learned a lot of verses in the Bible. I learned different random acts of kindness like playing with a person who doesn’t have any friends. I learned that God is our Savior: “What must I do to be saved?
Believe in the Lord Jesus and you will be saved, you and your household.” (Acts 16:30-31) I’m thankful that there are lots of teachers to teach us. My favorite part of SSC was when we made sculptures.

Zachariah Chou

When I was at SSC this past summer, I learned that God is our helper when we are in trouble. It makes me feel comforted. My favorite part of SSC is knowing Darren because he is kind and has a loving heart. I’m thankful for having a great SSC.

In the name of the Lord Jesus Christ I reflect. I truly enjoyed SSC because I made new friends and learned God’s words. SSC was a place to have fellowship together and be happy by learning a lot. SSC helped me want to draw closer to God and try my best to receive the Holy Spirit. I really liked SSC because we got to do fun and edifying activities such as making a reflection book about the Lord’s Prayer. We studied the Lord’s Prayer, The miracles of Jesus, and the Holy Spirit. Through these lessons I drew closer to God. All my friends encouraged me to try my hardest to pray and was always with me. I felt that SSC was a nice place to have everyone together as we all learn God’s words. Overall, SSC was a wonderful event where everyone can make new friends and learn God’s word. May all the glory and honor be unto His holy name. Amen.

At SSC, I learned a lot of hymns like “I have a friend” and I learned that God is our Creator. I am thankful for the food that the brothers and sisters cooked and how they worked really hard to cook it. I felt like God really listened to my prayer. One of my memory verses is “What must I do to be saved? Believe in the Lord Jesus and you will be saved, you and your household.” (Acts 16:30-31).
This year was my first SSC. I have never been away from my family for an overnight stay. I had trouble sleeping for the first two nights and wished we didn’t have to wake up so early the next day. However, I enjoyed SSC and had fun. I met many kids from other states and churches.

This year’s theme was “A Life of Prayer.” We also studied the miracles of Jesus. The classes were funny and easy to understand.

I learned a lot about the other girls and counselors in my group. We had fun together and made friends. We also helped each other out. I feel like this SSC got me closer to God. I am glad I came this year.

May all the glory and honor be unto His holy name. Amen

In the name of the Lord Jesus Christ I reflect. The topic for this SSC was A Life of Prayer. From Pr. Raymond, I learned from the parable of feeding the five thousand that we should have a simple life and not be selfish. Because the lad was simple and did not think too much, he offered five loaves and two fish. Jesus used the food to perform a miracle and let everybody be full and even has twelve baskets of food leftover. I also learned that we cannot be selfish. The boy was willing to share and offer his food to other people. There might be other people who brought food but was unwilling to share with others.

I feel like this SSC was tougher because of sleeping conditions and noise level at night and in the morning. I also learned how to be patient because God has His timing on when we receive the Holy Spirit. Since I did not receive the Holy Spirit this time, I will still pray hard and wait for God’s timing.

May all the glory and honor be unto His Holy Name. Amen

In the name of Lord Jesus Christ I reflect. We had learned about the Lord’s Prayer, the Miracles of Jesus, and the Holy Spirit. We had prayed a lot and I learned to be thankful in everything we do. Another thing is to invite God in our happy times. We had Pr. Raymond, Pr. TJ, and Bro. Francisco teaching us for class. God had really listened to my prayers and He helped me throughout that week.

May all the glory and honor be unto His holy name. Amen

E 2 Briana Lin

In the name of the Lord Jesus Christ I reflect. In SSC I learned a lot of teachings of God such as Miracle of Jesus, Holy Spirit, the Lord’s Prayer, characters in the bible who had faith in God. The pastors we had were Pr. Jung, Pr. Chou and Bro. Francisco. In SSC I made a lot of friends, prayed a lot and fasted, wrote notes, sang memory verses songs, and had a lot of classes. The food was awesome. I was thankful to be at SSC to learn about God’s word and to receive the Holy Spirit. The thing that I’m most happy or thankful for is having the best counselor ever, her name is Catherine. In my group I had Ariel Kuei, Claire Wang, Lydia Hsu, Rebecca Wong, and Megan Lin. They were all very sweet and nice. Thank God for letting me have a very good time at SSC. May all the glory and honor be unto His holy name. Amen

E 2 Abigail Lin

In the name of the Lord Jesus Christ I reflect on my SSC, at SSC I learned lots of new things. One of the things I learned was that if you sin you basically are wearing a shirt that is very gross. In SSC, there are lots of prayers. I didn’t get the Holy Spirit, but I felt like I drew closer to God. SSC really helped me. May all the glory and honor be on God’s name. Amen

E 2 Samuel Lin

In the name of the Lord Jesus Christ I reflect. This SSC was a great experience for me. We took many classes, such as 2nd Timothy, the Lord’s prayer, Life Application, Elijah’s prayers, and doctrine of the Holy Spirit. In 2nd Timothy, I learned to preach to others and to stay strong if they persecute me. In the Lord’s Prayer, we went in depth about the correct way and attitude to pray to God. In Life Application, I applied what I learned in my daily life by praying more. In Elijah’s prayers, I learned about how Elijah prayed and what attitude he had to God. In the Holy Spirit, I learned the importance of the Holy Spirit and that it can help you get closer to God. This SSC the most important thing I learned was that the Holy Spirit can transform you and that you need to make the effort to be willing to be closer to God by praying and reading the Bible. Hymn singing was very fun, the food was really good, and my group encouraged each other throughout SSC.

In the name of the Lord Jesus Christ, I reflect. This SSC was different in almost every way. First of all, J1 was paired with J2 students instead of E2. This gave me more role models and forced me to be more mature. Also, SSC was a lot shorter than before which gave everyone a shorter amount of time so everyone drew closer to God quicker. What was not different though was the experiences I had with God and all the lessons I learned throughout my time at SSC. I had many great experiences in prayer and in activities with my peers. I also learned many things during class. This year, we had four classes, 2 Timothy, Lord’s Prayer, Doctrine of Holy Spirit, and Prayers of Elijah. We learned to concentrate during prayer, always give praise to God and the importance and power of the Holy Spirit. Thank God for this opportunity. May all the glory and praise be unto his Holy Name. Amen.
