**Re: *USGA Interest-Free Student Loan***

Dear Members of Church Council:

Hallelujah! Greetings in the name of our Lord Jesus Christ!

Praise and thank God, pursuant to the resolution (M-5) reached at the 22nd National Church Conference held in Dallas, Texas in 1997, USGA has established the USGA Interest-Free Student Loan in year 1999.

The purpose of this program is to provide timely partial financial assistance toward tuition, fees, and living expenses to our church members who really have financial needs. Applicants must be a **permanent resident or citizen** of the United States who are or will be attending college or graduate school in the U.S.

Detailed guidelines of the program and an application form are attached herewith. We would appreciate it if you could do the following at your earliest convenience:

- Announce and post the availability of this student loan to all the members at the earliest possible opportunity. Encourage those members who you think they may have financial needs to complete their college or graduate school to apply for this program.
- Inform all the interested college or college-attending members that the deadline for the receipt of their completed applications for the 2011-2012 academic year is **June 30, 2011**. **Any application received after this date will not be considered in this year.**
- Encourage members out of love to contribute generously to this fund so that the program may be continued without interruption and more qualified young members can be benefited from this program. Please indicate "Scholarship Fund" on the check.

Thank you. May God continue to shower His abundant blessing upon you!
