Re: 2011 National Youth Servitude Training Seminar

Dear Brothers and Sisters in Christ,

Hallelujah! Greetings in the name of our Lord Jesus Christ.

The National Youth Ministry (NYM) is pleased to announce that the 2011 National Youth Servitude Training (NYST) seminar will be held in Hillsborough Church, New Jersey, from 8 am on Friday, May 27 to 12 pm on Monday, May 30. This seminar is designed to train youth coordinators, who are involved in their local church youth group or campus fellowship group, to serve God with the right heart and spirit as well as to mobilize their group.

Each local church and house of prayer is strongly encouraged to sponsor and send up to five youth coordinators to attend this seminar. Developing remote regions are also invited to sponsor and send up to two. These include youth fellowship coordinators, campus fellowship coordinators, and other youth who are training to become youth coordinators. Local campus fellowships and youth groups are also strongly encouraged to designate and send future coordinators for the next year to the seminar. If any church, house of prayer, or developing remote region has a need to send more than the designated number of youths, feel free to present your request, and we will verify if there is enough capacity at the hosting church to accommodate additional participants.

Please submit the participants' names and, if applicable, flight schedules to the USGA by **April 10, 2011**. All participants are requested to arrive by Thursday evening and to depart after lunch on Monday. (Please schedule outbound flights after 4 pm.) For the hosting church's convenience, participants who are booking flights are encouraged to fly as a group and to use the Newark Liberty International Airport (EWR).

If you have any questions about the seminar, please contact the NYM committee at nym@tjc.org.

Please remember NYST in your prayer. May God bless you!

Yours in Christ,

Derren Liang
Chairman of the USGA
